Subject: Request from official EPA photographer

Good afternoon Craig,

I'm writing again with some urgency. I need help connecting with sampling teams and the Gold King site for a visit. I have all day tomorrow to make photographs for EPA outreach efforts as requested by HQ. Sure would appreciate a hand with coordination.

I'm in Durango now and can swing by UCC this afternoon if that would help.

Thanks ,
Eric

Good afternoon Craig,

David O suggested you were the man to talk to. I'm the EPA photographer and would like to work with you on making photos of EPA employees and contractors taking samples and moving dirt. I'm available all day Friday.

Any chance you can hook me up with these activities?

Many thanks,

E
